

ILLUMACORP

CARIBBEAN

LIGHT FIXTURE

**AT 3,000 LUMENS
OUTPUT, BEST
PERFORMANCE IN
THE MARKET**

**12-24 VOLTS DC OR
120-240 VOLTS AC**

2-YEAR WARRANTY

- Have the convenience of a fixture which will operate on either DC or AC voltage.
- All components contained within a compact, rectangular housing which can be fed either low or high voltage without switching or changing leads.
- High performance lighting on either voltage with a robust, U.S.-based design built of U.S. sourced components.
- Minimal consumption, 0.75 amps current draw on DC and 0.21 amps current draw on AC.
- 48 high-performance 165 lumens-per-watt LEDs mounted on an aluminum-backed circuit board for maximum performance and life.
- Operates on house battery, generator, or shore power.
- Polycarbonate housing and gasketed lens for durability and long life, easy mounting to overhead or bulkhead.

CAT# 2041

**MADE
IN
THE
USA**
